

GIVE – GROUP GIVING

CORPORATES

If you're a company keen on giving regularly to our cause, here're several ways to go about it:

- Employee payroll deduction** - Automatically deduct an amount that your employees are keen to give each month and collate all donations before sending them our way.

- 1-for-1 match in employee donations** - Doubling your employees' donations speaks volumes about your company's support for them. It also shows employees how committed you are to the cause.

- Paid leave for employees to volunteer** - The biggest employer* has given their staff one day in a year to volunteer for their favourite causes. And it's on the company's payroll. Imagine the impact this could have with say just 50 staff. If everyone took turns, we would have approximately one volunteer every week of the year. Multiply the number of staff by 2 (or 100 staff in total) and that's 2 volunteers per week. Much can be done with just 2 volunteers a week! Check out our [list of impact giving opportunities](#) on our website to get started.

**The Straits Times: Civil servants to get one day off to do volunteer work: Other firms that have implemented volunteer leave, 16 October 2015*

EVENT SPONSORSHIP

From the seasonal events (e.g. Lunar New Year celebrations and Easter Hat Parade) to the special occasions (e.g. Volunteers' Night and Nurses' Day), these are highlights of the year that attract keen interest from residents, staff and volunteers.

It's also a great opportunity for the party planners, event organisers and gregarious emcees among you who want to adopt a specific event, sponsor and plan for it – from the drawing up of the guest list right down to the strategic placements of the rubbish bags. Feel free to call or email us for a chat.

Or if you'd just like to donate to sponsor an event, you're most welcome to contact us and let us know what you have in mind.

Donate in kind

If you prefer to donate specific items rather than cash, please email (donation@stjh.org.sg) or call us to check on the items needed. Examples of useful items would be prizes for lucky draws, customised door gifts for staff / volunteers or decorative items like big ribbons for chairs.

Please do not donate items without first checking with us as that may result in wastage.

START A FUNDRAISER

Think you have a more creative way to raise the funds we need? Rally your friends / colleagues to brainstorm and start your very own fundraiser. Better yet, get our residents involved in the process. Who says residents in wheelchairs need things done for them all the time? Let them surprise you with their wit, wisdom and dexterity.

Possible fundraisers include:

Bake-a-Cupcake or muffins / cookies (with our residents) to sell for proceeds

Start your own corporate gift-giving process (e.g. automatic payroll deduction of donation)

Rally your neighbourhood coffee / food joint to donate a portion of their revenue to us

Design and sell T-shirts that reflect our collective desire to redefine the way we care for seniors

Crowdsource for funds online via your blog posts about your volunteer experience here

Organise a car-boot sale to sell your recyclable items

To spread the word about your fundraiser, you'd need content. We'd be happy to help you tailor content that fits your target audience. Call or email us to chat.

Can't find anything that interests you?

Call or email us for a chat. We're always open to exploring other ideas.
