

Our Lady of Fatima Visits St Joseph's Home

28 September 2017

In celebration of the centennial appearances of Our Lady of Fatima to three shepherd children in Portugal, Pope Francis blessed six statues of the Immaculate Heart of Mary, one of which was sent to Singapore. St Joseph's Home was a pit stop on 12 September. Every day for nine days before that, the rosary was recited at Café Verona in different languages, among them, Tagalog, Burmese, Teochew, Mandarin and Italian. Staff took turns to do the same on the day of Our Lady's visit. Says therapy assistant Jasmine Teo "It's my first time getting so up close to Our Lady. It's usually not possible in processions outside. This is really beautiful."
