BARISTAS WANTED

**Night Cafe @ St Joseph's Home
Fridays, 7.30PM to 9.00PM*
36 Jurong West St 24**

If we don't head for bed at 7pm, why should our residents? The Night Cafe Series gives them options...and reasons to stay awake till their natural bedtime. It's a chance for them to chill with their neighbours from the 'hood too. So come join us and get to know our folks.

*We're looking for Baristas trained in handling commercial coffee machines. Alternative dates available. Contact us to discuss further.
