

Dear families,

We would like to update you on the MOH advisory for face-to-face visitation at St Joseph's Home. With effect from 4th August 2020, you may expect these key changes:

z	From 4th August 2020
Only two designated visitors	Residents can have up to four designated visitors Kindly contact your social worker in charge to confirm the names and contact numbers for the 3rd and 4th designated visitors. No change allowed for current two designated visitors.
Only one visitor per visitation slot	Up to two designated visitors can come at each visitation slot. However, the two visitors need to share the 30 minutes visitation slot. For e.g., Visitor A takes the first 15 minutes and visitor B takes the next 15 minutes.
No food allowed	You may now bring food for your loved ones, with these specific guidelines: <ol style="list-style-type: none">1. Visitors can only bring food during their visitation slot2. Food must be in sealed disposable containers (NO reusable containers)3. No consumption of food during visitation
